HEADQUARTERS 765TH BOMBARDMENT SQUADRON (H) AAF APO 520

Statements are not available due to the fact that only four aircraft from the 461st Bomb Group participated in the mission. The three returning crews reported that they did not see or have any contact with the missing aircraft because the mission was not made in formation and due to adverse weather conditions. It is the opinion that the missing aircraft crashed in the Alps mountains somewhere in or around the target area in Germany due to the bad weather conditions prevailing.
